Former Treasurer Dies

WILLIAM H. WINSLOW WAS 79

Funeral services were held on Friday for Mr. William Hallett Winslow, 79, who died Tuesday at the Oak Hill Nursing Home in Middleboro. Mr. Winslow was former Postmaster and served as Town Treasurer and Tax Collector for many years. He retired from this post for health reasons and has been a patient at the nursing home for the past year. Previous to that he was a patient at the Mattapoisett Nursing Home and lived at his Barstow Street home. He was born in Mattapoisett and lived here all of his life. He was married to the late Amy (Rogers) Winslow. He was a member of the Mattapoisett Grange and attended the Mattapoisett Congregational Church where funeral services were held.

Mr. Winslow served as Town Treasurer from August 30, 1937 to the election of 1964 when he retired and was succeeded by the present treasurer, Allen Sherman.

He is survived by a son, William H., Jr. of California; a sister, Mrs. Marion T. Nash of Woodbridge, New Jersey; two brothers, Enoch and Edwin, both of Mattapoisett; and 5 grandchildren.

Placid Finale

The September Song goes "It's a long, long time from May to September". As August runs out, that "long, long time" disappears like the blink of the eye. The hot nights turn chill. The harbor grows bluer and calmer as the north breeze smooths the surface. The sun feels hotter. We enter that bitter sweet Indian Summer season - the calm time to savor the best of summer before the chill sharpens and the beach lies deserted except for the occasional stroller. With this summer now closing we took camera to the sea to record some impressions that we'd like to save of the summer of 1970. People under the sun, drinking it, boating, fishing, steeped in the aroma of the salt air. Is there any finer way to pass the golden days?

We New Englanders count ourselves among the most fortunate of earth dwellers for in

sun of summer. The color and invigorating chill, the sparkling clear air that magnifies distant islands, the solitude by the shore, football - all these pleasures lie just beyond the corner we turn at Labor Day. Like some mystic deadline this day divides the seasons. A few beach lovers will ignore the invisible barrier and will find the water warm and the sun hot and a beach uncrowded. That brief transition called Indian Summer is like all the short pleasures - the finest and most treasured. If our days were all summer how endless they would stretch. If, all winter, how the bleak days would weigh the spirit. The spice of our New England weather is the most vital ingredient in our joy of living. No matter how eagerly we anticipate a season there is a great one following on its heels. Fall is one of the best.

Children attending the kindergarten classes will be transported by parents. Parents are urged to contact Principal Moynihan if transportation is needed for their children so that appropriate car pool arrangements may be evolved.

kindergarten classes are urged to use the front semi-circular driveway on Barstow Street and not to arrive before 8:45 A.M. If this procedure is followed, all of the buses used to transport children attending other grades will have departed thereby eliminating the confusion usually associated with mass movement of children and improving the safety conditions for the kindergarten children.

ROCHESTER SCHOOL TO OPEN

Rochester Memorial School will commence the school year 1970-71 on Wednesday, September 9th, 1970. Buses arrive at the school between 8:45 A.M. and 8:55 A.M. School starts at 8:55 A.M. and is dismissed at 3:00 P.M.

The hot lunch program will commence at the Memorial School on opening day. Lunch will cost 25¢. Milk alone will be sold for 4¢ per bottle.

Pupils entering the first level of the ungraded primary division in the Rochester school must be six years of age on or before December 31, 1970.

Pupils who will be new to the Rochester School who have not already registered for enrollment are requested to do so on Tuesday, September 8, 1970. Principal Robert Blumenthal will be in his office between 9:00 A.M. and 10:30 A.M. and again between 1:00 P.M. and 3:00 P.M.

The bus routes are very much the same as those of last June. Minor adjustments will be made on the first few days of school. Accordingly, all students are asked to be ready for pickup by the drivers earlier than the prescribed time and until such time as the routes become fixed.

9A, to Flashing White Bell 7, to Bow Bells 11, and finish in mid-harbor. On corrected time the three craft were very evenly matched, Chet Young's Windrift winning by a 4-second margin over John Malcolm's Witch of Agnesi, and Myron Lewis' Fuzz II lagging by only 0:02:05.

The course for the first race of the Corinthian doubleheader, starting in mid-harbor, proceeded to Shining Tides MYC guide buoy to Mattapoisett Neck MYC guide buoy, to Ned's Point MYC guide buoy, to Gallatin Rock Black Can 3, and finish. Norman Shachoy, skippering Blue Chip, bested the fleet of six Corinthians, coming in eight minutes ahead of second place Arthur Blackburn's Lorelei. Ralph Eustis in Lisa was third.

In their second contest, the Corinthians sailed to Shining Tides MYC guide buoy, to Ned's Point MYC guide buoy, to Red Nun 4 and finish in mid-harbor. Five boats answered the starting gun, one later being designated DNF. Of the four remaining, the first two ended in quite a close finish - Tom Clark's Instead topping Ralph Eustis' Lisa by 26 seconds, followed by Arthur Blackburn's Lorelei.

With an exciting photo-finish ending for their first race, eight Beetle Cats, starting in mid-harbor, followed a 5-legged course to Shining Tides MYC guide buoy, to Mattapoisett Neck MYC guide buoy, to Ned's Point MYC guide buoy, to Barstow Rock Red Nun 6 and finish.

Harvey Pentleton in Swamp Fox took an early lead, but dropped back to third place at the Shining Tides MYC guide buoy marker, with Phil McCarthy in Wolf gaining a slight advantage over Sue McGowan in Hep Cat II. On the down-wind leg, however, Wolf and Hep Cat II reversed positions with Sue McGowan gradually building up to a 10-boat lead. On the final up-wind leg, Phil began to close the gap, crossing the line 1/4 boat length (a margin of one second) astern of Hep Cat II. Swamp Fox finished third.

The second Beetle Cat contest was an unpredictable one (in which most anything could happen - and did) with the first five boats shifting positions marker by marker.

FISH ON THE WHARF

758-4488 **MATTAPOISETT WHARF** 7 DAYS A WEEK 10 to 7

The course was plotted to Shining Tides MYC guide buoy, to Ned's Point MYC guide buoy, to Barstow Rock Red Nun 6 and finish in mid harbor.

At the start it was Phil McCarthy in the lead, followed by Harvey Pentleton and Sue McGowan. Nearing the first marker Sue McGowan gained second, and Harvey Pentleton dropped to third. Then after rounding the marker Hep Cat II and Swamp Fox exchanged places again, with Wolf still ahead. However, on the second leg Swamp Fox, Hep Cat II, Carol McCarthy's Blue Cloud and Meredith Barnes' Gay Lee Ann II pulled ahead of Wolf with the subsequent line-up on the next leg of Blue Cloud first, Swamp Fox second, and Gay Lee Ann II third.

The fourth leg proved to be a decisive one, as it saw two of the five top contenders eliminated via the foul route - Blue Cloud tacking too close to Swamp Fox and Swamp Fox in attempting to extricate itself fouling Gay Lee Ann II. Still continuing to shuffle positions, Hep Cat II eventually emerged a 1-minute victor over Wolf, with Gay Lee Ann II third.

Last Summer Service

SUCCESSFUL SEASON AT ST. PHILIP'S

The final services for this season will be conducted at St. Philip's Church (Episcopal) on the Mattapoisett waterfront next Sunday, September 6th. The priest-in-charge is the Rev. Craig Biddle III. Holy Communion will be celebrated at the 8 A.M. service and following the 10 o'clock service of morning prayer and sermon.

All faiths are welcome at St. Philip's. Many from out of town this year have come to worship, showing an increase in attendance. The church, which has enjoyed a distinguished past, is supported entirely by voluntary contributions.

The Rev. Craig Biddle and his family will return shortley to their home in Oradell, New Jersey, where Mr. Biddle is Rector of the Church of the Annunciation.

Many local residents enjoyed viewing the exhibition of paintings by Phyllis Biddle (Mrs. Craig) currently showing at the Marion Art Center, among them scenes of Mattapoisett. Also some were of the Biddle children, all lively portrayals in oils.

Letter to The Editor

Just thought you'd like to know that this morning I saw a flock of local teen-agers on Shipyard Park cleaning up litter. When I asked them "what group is this?", assuming it had been organized, their answer was "no group - we came here and saw the mess and we decided to clean it up." And they sure did! All on their own! They borrowed cartons and brooms from Romeo's and the Fish Market - and cleaned up the wharf, too!. We should be pretty proud of these young people.

CANDIDATE TO BE IN MATTAPOISETT

Harry Read, candidate for State Senator, will be the guest of honor at a coffee at the home of Mr. and Mrs. Francis S. Lynch, 21 Beacon Street, Mattapoisett, on Thursday, September 3rd, at 10 A.M. Read is currently State Representative from Barnstable Third District. All voters who wish to meet and talk with Mr. Read are invited to attend the coffee.

POLITICAL CENSUS OF TOWN VOTERS

In a unique experiment, the Mattapoisett Republican Committee plans to conduct a political census of town voters. The results will be added to the committee's new voter information system, which is unlike any other such system known to be in use in Massachusetts.

The first phase of this information campaign will begin this Thursday and continue after Labor Day next week. It will concentrate mainly on Independent voters, about whom the Committee feels it has the least information.

The survey will be conducted by phone and will take only a few minutes with each voter.

The Committee expects that the new system will increase its efficiency and improve its election day services. Voters contacted will also be invited to sound off, pro or con, on current officeholders and candidates. Results from this part of the survey will be published.

CRANBERRY HARVEST OPERATIONS

FAMILY FAIR & AUCTION

A Family Fair and Auction will be held Saturday, September 12th, at the Church of the Good Shepherd grounds, Fairhaven, from 10 A.M. until dusk. Rain date is September 19th.

Many items of interest will be on sale: desk, chairs, bureaus, bicycles, china, dishes, toys and games for children, lamps, appliances, typewriters, checkwriter, oil paintings and beautiful old wood frames, plus books and old Bible.

Along with this there will be a Flea Market, with interesting items for everyone. You will find a giant Rummage Sale (clothes sorted out and hung for your convenience).

There will be handmade items, items from around the world, jewelry, plants, baked goods, and for the children there will be games of skill, with a prize for every player. Join us on the church grounds - fun and bargains for all.

Crescent Beach

The annual Labor Day week-end games and races for our children will be held at the beach on Saturday afternoon, September 5th, at 2 P.M. Should the raindrops fall on our collective heads, the event will be postponed till the next day. On Sunday, the 6th, at 7 P.M. the annual Fall meeting of the C.B.I.A. will be held at Raymond Hall. We hope for a good attendance as several matters of importance will be discussed, as well as the installation of the new officers. Mr. Dooley has been elected president and we wish him and his staff good luck.

Dues are in order. We can only pay our way if everyone assumes his share of the expenses. We also appreciate contributions from non-residents who use our facilities as guests.

Since this is our swan song for this year we would like to thank Mr. Howard Chase for his untiring efforts in running the whist parties. Without his help these would certainly not be as successful as they are. Mr. Perkins is hosting the final party on Thursday.

We have made arrangements to have the roads fixed by next season.

Visitors this past week were Miss Susan Manos, granddaughter of Mr. and Mrs.

Jets: Campaign Issue?

WEEKS SPEAKS ON JETPORT

Senator William D. Weeks, R.-Cohasset, recently charged that "Congressman Keith would like to have us believe that the possibility of a jetport being established in Southeastern Massachusetts is nothing but a rumor. This of course is not the case. Early in June a committee of the Massachusetts Area Planning Council suggested that a major jetport be established in Hopkinton, Otis Air Force Base of Plymouth. On June 9th I issued a press release which stated that 'I am unalterably opposed to the recommendation of the Metropolitan Area Planning Council that a study be made as to the feasibility of establishing a second major airport at either Otis Air Force Base on Cape Cod or in the Plymouth area'."

The Weeks press release of June 9th also stated, "An airport project of this magnitude would cause extensive economic injury to both the Cape Cod and Plymouth areas. It would also have a devastating effect on the ecology of both areas....I shall seek a meeting with Governor Sargent to register my strong dissatisfaction with this project."

Weeks stated that in a discussion with members of the governor's staff he found that the Governor planned to form an inter-city transportation task force with the responsibility of reviewing the MAPC report on a second airport. Governor Sargent formed such a committee on August 14th. When the formation of the full committee is completed, Sen. Weeks plans to meet with it to express the deep opposition of Southeastern Massachusetts to a jetport at Otis Air Force Base or Plymouth.

Sen. Weeks continued, "Congressman Keith is trying to establish a smoke screen to hide the fact that he was the only Republican representative from Massachusetts last May to vote for an additional $290 million appropriation for the development of the supersonic transport.

"I is extremely difficult for me to understand how the incumbent can claim that he has pressed for Conservation on the Cape - yet he goes down to Washington and votes

for the SST, which has been described by a special MIT study committee as an 'ecological disaster'. One group of SST critics claim that 'a fleet of jets injecting between 150,000 and 200,000 tons of water into the stratosphere each day would create a permanent cloud cover over the world'."

Senator Weeks concluded by saying, "I will continue my strong and unalterable opposition to both the SST and to a jetport in Southeastern Massachusetts."

KEITH URGES GOVERNOR TO JOIN OPPOSITION TO CAPE COD JETPORT

Congressman Hastings Keith (R-Mass) of the 12th Massachusetts District has urged Governor Francis W. Sargent to join him in putting to rest rumors that the Federal Government is seeking to convert Otis Air Force Base into a major commercial jetport.

Keith pointed out in a letter to the Governor August 25th that the state, not the Federal government, would have to take the initial steps to bring about development of a commercial jetport at the Cape Cod military base.

Stating that Federal aviation laws provide that the State must initiate action with regard to any airport development, Keith wrote: "The Federal Aviation Administration (FAA) advises me that any federal funds for airport development--particularly for establishment of an additional jetport facility --would require the State's request to that effect."

Keith also pointed out that any state request for changing Otis from a military to a commercial port must, according to the FAA, "be preceded by comprehensive studies which would take into consideration all other modes of transportation."

Dual use of the base for both military and commercial operations has been ruled out by the Air Force, Keith said.

Since conversion of Otis into a commercial jetport would have to be initiated by Governor Sargent or by a commission appointed by him, Keith urged Sargent to take a positive public stand against such a proposal now.

Such a stand, Keith wrote, would put to rest "rumors nurtured by implicit and explicit statements" by State Senator William D. Weeks (R-Cohasset) to the effect that the Federal Government is seeking to impose a jetport on the area.

"As one who has consistently pressed for conservation on Cape Cod and in other areas of Southeastern Massachusetts, " wrote Keith, "I urge you to join me in taking a strong public stand against any such jet-

port development as Sen. Weeks suggests is going to take place."

"The people of my District have been alarmed and upset by these statements which imply that use of Otis as a commercial jet facility is inevitable, especially by supersonic transports (SST)," said the Congressman.

Calling such statements "cruel misrepresentation", Keith said: "It is time for responsible public officials not only to reassure homeowners and residents of the District that we are against conversion of Otis into a major commercial facility, but also that we are prepared to work against any proposals which might clear the way for such conversion."

Keith concluded his letter by stating: "As Governor of the Commonwealth you are in the best position to give assurances that our efforts, and those of other conservation-minded people, to preserve and protect Cape Cod are not in vain."
